

# Strata Insurance Specialists. The preferred Insurance provider

BAC Insurance Brokers is one of the largest specialist strata brokers in Australia and has been operating for over 30 years.

As an introduction, BAC's focus and commitment to the Strata Community has allowed it to develop value added solutions and best practice procedures for its clients.

We service multi-ownership developments of all sizes, ranging from small duplexes, to the largest single strata placement in Sydney, with values in the billions.

As BMC and Strata Insurance specialists, we have an intricate understanding of policy structure, risk profiling and market appetites, ensuring we achieve positive outcomes.

We leverage our years of experience and market position to provide a range of professional services for all our clients, large or small.

## MARKET LEVERAGE

As one of the largest strata brokers we are able to leverage our position to secure the best outcome on your behalf.

## PREMIUM MITIGATION

To ensure your insurance costs are kept to a minimum, BAC uses its size to market your insurances annually and create a competitive environment between insurers.

## CLAIMS SERVICE

BAC understands the importance of having prompt and efficient claims service. BAC specialises in mitigating losses, managing disputes and resolving claims. We are your representatives against the insurer.

## STRATA SPECIALISTS

BAC has a comprehensive understanding of each policy to best navigate through requirements and placement solutions and provide professional and personal advice.
